

## CARLY RIAN GROUP RECEIVES CONSECUTIVE RANKING AS ONE OF CANADA'S FASTEST-GROWING COMPANIES

Management consulting firm featured in 27th annual PROFIT 500 ranking by Canadian Business & PROFIT

**TORONTO, ON, SEPTEMBER 17, 2015** – Carly Rian Group (CRG), a Toronto-based management consulting firm specializing in solving business problems driven by cost, quality and time, announced its second consecutive listing on the 27th annual PROFIT 500 ranking by Canadian Business and PROFIT.

The PROFIT 500 ranks companies by five-year revenue growth and profiles the country's most successful growth companies in the October issue of Canadian Business and online at [PROFITguide.com](http://PROFITguide.com).

"Carly Rian Group is proud to make our second appearance on the PROFIT 500," said Adam Godfrey, CRG Managing Partner. "We owe our success to clients' trust in our ability to increase the efficiency and effectiveness of their business, and our team's consistent delivery of defensible, value-added results."

Rajeev Roy, CRG Managing Partner, agrees: "This ranking upholds our relentless approach and dedication to our problem solving specialty. Our team's accountability, passion and ultimate respect for the work we do and the clients we serve are why CRG is on this list."

The pair met while holding senior positions at a global consulting firm and connected over a shared desire to introduce a new approach to problem solving and carve out a unique space in the management consulting industry. In 2007, named after each partner's eldest child, Carly Rian Group was launched.

In eight years CRG has established a reputation for its unparalleled approach, corporate culture and dedicated team of experts. The firm has further defined itself with the *CRG toolbox*: the artful combination of rigorous problem solving methodologies to consistently deliver defensible results.

Measuring success by their ability to solve problems, develop meaningful relationships, deliver a solid return on investment and ultimately, be invited back to take on clients' next set of challenges, has allowed CRG to cultivate an impressive client roster of Fortune 500 companies in the private and public sectors.

"The PROFIT 500 represent the highest tier of entrepreneurialism in Canada," says James Cowan, Editor-in-chief of PROFIT and Canadian Business. "They are examples of what can be accomplished with innovation, discipline and determination."
